DMB Tenant Services Bulletin

May 26, 2005

Plaza Renovation to Begin June 3

PEDESTRIAN ROUTE/ACCESS CHANGES

This is a reminder of pedestrian route changes originally announced in a February 2005 Ottawa Ramp Renovation bulletin. June 3, 2005 is the planned start date for the plaza renovation, which will impact pedestrian routes and access.

- **Important—it will not be possible to cut through the plaza between the Hannah and Ottawa buildings—pedestrians will be directed around these buildings via Ottawa and/or Allegan street sidewalks.**
- Plaza-side access to Hannah and Ottawa Buildings will vary. **Watch for pedestrian route signs.**
- Upper Parking Level walkway between Hannah and Ottawa buildings will not be affected.
- Plaza renovations are planned for completion by late fall of this year.

If you have questions, please contact the DMB Customer Service Center at 373-6227 or DMB-Tenant_ServicesCSC@michigan.gov.
